SAMPLE BALLOT

Middleton Rural Fire Protection District Special Levy Election

Shall the Board of Fire Protection District Commissioners of the Middleton Rural Fire District be authorized, pursuant to section 63-802(1)(g) and section 63-802(3), Idaho Code, to certify to the board of commissioners of Canyon and Gem Counties, Idaho, a temporary tax levy override of \$670,599 in the property tax portion of the budget of the district beginning with the fiscal year which commences on January 1, 2015, and continuing for a period of two years as provided in the resolution adopted by the board of commissioners on August 11, 2014?

- () **IN FAVOR** of a temporary increase of \$670,599 in the property tax portion of the budget for a two(2) year period.
- () **AGAINST** of a temporary increase of \$670,599 in the property tax portion of the budget for a two(2) year period.

Voting **IN FAVOR** of Temporary increase will not increase your current taxes. This will allow the Fire District to operate and provide services that we currently provide to the citizens of our district.

Voting **AGAINST** the Temporary increase will force the Fire District to reevaluate the operations and services we provide to our patrons and all those who live, work, visit and pass through our District, on a daily basis.

*Why does the ballot say Temporary Increase?
The ballot will read Temporary Increase due to the current Temporary Levy Override that is set to expire on December 31, 2014. The term "Increase" is used due to the Levy Override being above the base budget. This override will replace the current override that is in place without increasing taxes*
